Main Street, Fremont, N.H. — 1911

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

Warrant for Town Meeting Fremont, N.H.

To the inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

First Session March 14, 1989

ARTICLE 1:

To choose by ballot all necessary Town Officers for the ensuing year.

ARTICLE 2:

To see if the Town will vote by ballot to adopt amendments to the existing Town Zoning Ordinance as proposed by the Planning Board. (The amendments are posted with the Warrant and are available for inspection at the Offices of the Town Clerk and Selectmen during business hours of Monday 9:30 a.m. to 11:30 a.m. and 2:00 p.m. to 4:00 p.m., Thursday 4:00 p.m. to 7:00 p.m. and Friday 9:30 a.m. to 11:30 a.m. and 2:00 p.m. to 4:00 p.m.)

The Sections to be amended and a topical description of each amendment are as follows:

1. This amendment would create new Commercial (C) and Light Industrial (I) Districts with certain permitted uses in areas shown on the Future Land Use Map in the 1987 Master Plan; retain the existing Residential Mobile Home Park (R-2) District; zone all other land Residential (R-1) with certain permitted uses; retain the existing Wetlands (W) and Aquifer (A) overlay districts; adopt standards for home minimum lot line distances to be continuous and retain all other existing minimum lot size, setback and other dimensional standards; adopt new off-street parking for nonconforming uses; change certain enforcement and administrative provisions; and retain existing building and life safety codes.

2. Upon petition this amendment would include in the commercially zoned district property identified as Tax Map Lots 4-94, 4-97 and 6-64. *(This amendment is approved by the Planning Board)*

3. Upon petition this amendment would include in the commercially zoned district property identified as Tax map Lots 2-149-1, 2-149-2, and 2-149-3. *(This amendment is approved by the Planning Board)*

ARTICLE 3:

To see if the Town will vote to raise and appropriate the sum of \$40,000.00 (Forty thousand dollars) for Town Hall Improvements which includes office space, conference room and/or voting space, laboratory facilities, fire exit and additional storm windows.

ARTICLE 4:

On Petition of 21 Legal Voters

Amended

To see if the Town will vote to raise and appropriate the sum of \$8,500.00 (Eight thousand five hundred dollars) ~~to be placed in an expendable trust established under Article 7 at the 1987 annual town meeting~~ for the purpose of offsetting a portion of the costs affiliated with the 225th Anniversary Celebration of Fremont to take place in 1989.

Passed

ARTICLE 5:

On Petition of 20 Legal Voters

To see if the town will vote to authorize the Selectmen to (or Fremont 225th Anniversary Committee) to withdraw from the expendable trust fund established at the 1987 Town Meeting for the purpose of offsetting a portion of the costs affiliated with the 225th Anniversary Celebration of Fremont in 1989 Town Meeting for the combined sum of \$15,000.00 (Fifteen thousand dollars) to be expended upon 225th Anniversary activities to take place in 1989.

Tabled

ARTICLE 6:

On Petition of 13 Legal Voters

To see if the Town will vote to raise and appropriate the sum of \$405.00 (Four hundred five dollars) for the Women's Resource Center, a private non-profit organization, to assist in funding the Rape Crisis Intervention Program. This agency trains police on sexual abuse issues and helps sexual abuse survivors.

Passed

ARTICLE 7:

To see if the Town will vote to raise and appropriate the sum of \$3,500.00 (Thirty five hundred dollars) to contract to review, change, and have accepted an updated revision of Part I of the Master Plan for the Town of Fremont.

Passed

ARTICLE 8:

To see if the Town will vote to raise and appropriate the sum of \$2,500.00 (Two thousand five hundred dollars) to be added to the Police Cruiser Capital Reserve Fund.

Passed

ARTICLE 9:

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to be added to the Riverside Drive Area Fire Station Capital Reserve Fund.

Passed

4200
4/200
Refused
must discuss

ARTICLE 10:

To see if the Town will vote to raise and appropriate the sum of \$29,000.00 (Twenty-nine thousand dollars) for two tennis and basketball courts. (Not recommended by Budget Committee) 4 Be held by the selectmen in Escrow

2 Amendment
ARTICLE 11:

To hear the report of the Budget Committee and take such action as the Town deems necessary. Passed

ARTICLE 12:

To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. \$574,955.11

ARTICLE 13:

To see if the Town will take deeded title to the rights of Way and paved sections of certain streets named Whittier Drive, Apricot Lane and Grapevine Drive located in the Blumont Subdivision, the present owner, upon completion and approval of the Selectmen's Office and Highway Agent. Returned \$5000. - Main Bond one year after acceptance

ARTICLE 14:

To see if the Town will vote to approve the following question: "Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$25,000.00; for a person 75 years of age up to 80 years, \$35,000.00; for a person 80 years of age or older \$45,000.00. To qualify the person must have been a New Hampshire resident for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets of \$20,000 excluding the value of the person's residence." least than

(RSA 71:43-c) - 72.43-h

ARTICLE 15:

To see if the Town will take deeded title to the right of way and paved section of a certain street named Rock-N-Pines Lane located in the Clinton Ebert Subdivision from Carol Ebert, the present owner. The requested street to be accepted is approximately 1400 feet in length. 1400 feet upon bond \$5000 and paid

ARTICLE 16:

To see if the Town will take deeded title to the right of way and paved section of a certain street named Hooke Road located in the C.E.D. Realty Trust Subdivision from Dean Howard, the present owner. The requested street to be accepted is approximately 4500 feet in length. 4500 feet

ARTICLE 17:

To see if the Town will take deeded title to the rights of way and paved sections of certain streets named Deer Run, Rowes Landing and Riverfront Drive located in the Mast Tree Estates from Charles K. and Louise M. Rowe, the present owners. The requested streets to be accepted are approximately 4300 feet in length.

ARTICLE 18:

To see if the Town will send a message to the Legislature and Governor calling for a comprehensive toxics transition law requiring coordinated programs of planning, research, and development, education, enforcement, and economic incentives to achieve toxics reduction by substitution with safer substances.

ARTICLE 19:

To see if the Town will vote to approve the following question:
"Shall we adopt the provisions of RSA 72:1-c which authorizes any town or city to elect not to assess, levy and collect a resident tax?"

ARTICLE 20:

To see if the Town will authorize the Selectmen to borrow money in anticipation of Taxes.

ARTICLE 21:

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from State, Federal or other Governmental unit or a private source which becomes available during the fiscal year pursuant to RSA 31:95-b.

ARTICLE 22:

To see if the Town will vote to authorize the Board of Selectmen to sell property acquired by Tax Collectors Deed at Public Auction or by advertised sealed bids.

ARTICLE 23:

To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the conservation commission.

ARTICLE 24:

To transact any other business that may legally come before this meeting.

NOTE: In accordance with RSA 39:2A adopted at the March Town Meeting of 1972 the FIRST session of the Town Meeting for the choice of Town Officers for the ensuing year and Amendments to the Zoning Ordinances will open on March 14, 1989 at 10:00 o'clock in the forenoon and will remain open until 7:00 o'clock in the evening.

The SECOND session for the consideration of the remainder of the Warrant Articles will be held at the Ellis School (Pettengill Ha) on Saturday, March 18, 1989 at 5 o'clock in the evening.

Given under our hands and seal this 17th day of February in the year of our Lord Nineteen hundred and eighty-nine.

Elizabeth J. Stanley, *Town Clerk*

Minutes of Town Meeting

March 12, 1988

Second Session

The meeting was called to order at 5:10 p.m. by the Moderator, Robert Rydeen.

Mr. Rydeen announced the rules of the meeting and announced the results of the town election - first session - which was held on March 8, 1988.

ARTICLE 1: Voted on by ballot first session - March 8, 1988.

ARTICLE 2: Voted on by ballot first session - March 8, 1988.

Leonard Bonagura made the motion to hear Article 3, 10 and 25 at this time. Elizabeth Stanley seconded the motion. Mr. Bonagura explained the reason for this was that all three articles require a paper ballot vote and if all three articles were discussed at once, only one voting would be required. All three questions have separate ballots of different colors. It was further explained that the polls would remain open for 1 hour due to the requirements of voting on a bond issue and such vote would require 2/3 majority in order to pass.

John Carr made the motion that the polls remain open for 1 hour after the discussion on the three articles and that at the time that the results are read a reconsideration of the articles be considered.

James Allen seconded the motion.

PASSED BY VOICE VOTE.

ARTICLE 3:

To see if the town will vote to raise and appropriate the sum of \$131,824.00 (One hundred thirty-one thousand eight hundred and twenty four dollars) for the purchase of a Tanker Fire Truck for the Town of Fremont and to borrow in the name of the Town by issuance of serial notes or bonds, in accordance with the provisions of Municipal Finance Act (RSA Chapter 33), a sum not to exceed \$131,824.00 for the purpose of defraying the costs of the foregoing, and to authorize the Town Officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Further to authorize the Selectmen to apply towards the facility cost any interest earned from the temporary investment of any bond or note proceeds. (2/3 ballot vote required)

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

Mr. Baker stated that this article had the support of the Budget Committee. Fire Chief Richard Heselton explained the fire truck that they would like to purchase.

Leon Holmes explained the Bond procedures.

George Marquis made the motion to end discussion. Linda Marquis seconded the motion. **PASSED BY VOICE VOTE TO END THE DISCUSSION.**

ARTICLE 10:

To see if the Town will accept the provision of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district, together with the towns of Brentwood, Danville, East Kingston, Hampton, Hampton Falls, Kensington, New Castle, Newton, North Hampton, Rye, Sandown and South Hampton and the City of Portsmouth, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provision of a proposed agreement filed with the Selectmen. (Paper Ballot Required)

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

Larry Stillwell, Fremont Representative to the regional refuse disposal district explained the article. The moderator asked Mr. Stillwell to remain at the front of the hall and answer any question. Michael O'Keefe, the alternate to the Committee also was on hand to answer any question.

A very lengthy discussion and explanation followed.

Robert Horsburg requested that William Tappan from Exeter, NH be able to speak to the meeting. The Moderator asked those present if there were any objections and with none evident Mr. Tappan spoke. He spoke on whether to join or stay in the district, he also stated that if we join he believes that we would be sacrificing our legal rights. Some towns are already out of the district.

After further discussion Leon Holmes made the motion to end discussion. Peter Lamb seconded the motion. **PASSED BY VOICE VOTE TO END THE DISCUSSION ON ARTICLE 10.**

ARTICLE 25:

"Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and building for unpaid taxes." (Paper Ballot) (Majority Vote Required)

Leonard Bonagura made the motion to accept this article as read. Leon Holmes seconded the motion.

Mary Anderson, Tax Collector, explained the present tax sale and the proposed tax lien.

Discussion followed.

Leon Holmes made the motion to end the discussion. Elizabeth Stanley seconded the motion. **PASSED BY VOICE VOTE TO END THE DISCUSSION.**

At this time, the Moderator explained the voting procedures and ballots for the three warrant articles were passed out and the voters passed through the checklist in preparation to vote. The polls opened at 7:10 p.m.

The town meeting was recessed for 1/2 hours while the majority of the residents voted and they remained open for the required 1 hour.

See results of these three Articles after Article 8.

John Carr made the motion not to hear any more "Money Articles" until after the results of the vote were announced. Carolyn Carr seconded the motion.

ARTICLE 26:

To see if the Town will vote to take deeded title to Lot 2-22-31-2 containing 2.62 acres for purposes of fire protection and not for use as a building lot.

Leonard Bonagura made the motion to accept this article as read. Leon Holmes seconded the motion.

Planning Board Chairman, Thomas Roy, explained the Planning Board position's in requiring that this developer give this to the town.

Fire Chief Heselton spoke on the liability to the town.

Leon Holmes made the motion to combine Article 26 and 33 as one article.

Leonard Bonagura seconded the motion.

Leon explained that these warrant articles were of similar nature and could be taken care of once.

Thomas Roy explained why these two articles should not be combined.

DEFEATED BY A VOICE VOTE TO COMBINE ARTICLES 26 AND 33.

Further discussion.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 27:

To see if the Town will vote to take deeded title to the paved section of a certain street named Midnight Sun Drive located in the Shannon Estates II Development from Applevale, Inc. the present owner. The required street to be accepted is approximately 2,223 feet in length.

Mary Anderson made the motion to accept this article as read. Leonard Bonagura seconded the motion.

Discussion on the condition of the roads was held. These roads have been presented to the town to accept tow years previous and were not accepted. The question of liability to the town with reference to the pond was brought up, but as the road agent pointed out, it is on private property. Guerwood Holmes explained that all the problems with these roads were taken care of with the exception of the pond which is on private property.

Guerwood Holmes made the motion to amend the article to read:

To see if the town will vote to take deeded title to the right-of-way and the paved section

Mary Anderson seconded the motion.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

THE POLLS WERE CLOSED AT THIS TIME. (8:10 p.m.) COUNTING OF BALLOTS BY ELIZABETH STANLEY, MATTHEW THOMAS AND BARBARA BAKER COMMENCED.

ARTICLE 4:

To see if the Town will vote to rescind its votes on Articles 6 and 7 at the 1987 Annual Meeting (which were intended to create an expendable trust fund, funded with \$2,500.00 to offset portions of the cost of the 225th Anniversary Celebration of Fremont) and to raise and appropriate the sum of \$4,000.00 for the 225th Anniversary Celebration of Fremont to be

expended in accordance with the plans formulated by the Committee appointed under Article 29 at the 1985 Annual Meeting. (Marjority Vote Required)

Leonard Bonagura made the motion to combine Articles 4 and 5 and to amend it to read:

To see if the Town raise and appropriate the sum of \$6,500.00 for the 225th Anniversary Celebration of Fremont to be expended in accordance with the plans formulated by the Committee appointed under Article 29 at the 1985 Annual Meeting and to authorize the Trustee of Trust Funds to withdraw funds and interest accrued to date and turn the money to the general fund of the town.

Leon Holmes seconded the motion.

Leonard Bonagura explained that the \$2,500 voted on at the 1987 town meeting was an illegal vote because it created an expendable trust which cannot be done. All this article and amendment would do would to allow them to spend the \$2,500 appropriated last year and add another \$4,000 this year.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

ARTICLE 5:

To see if the Town will vote to raise and appropriate the sum of \$4,000.00 (Four thousand dollars) to be placed in an Expendable Trust Fund established at the March 1987 Town Meeting, to be used for the purpose of offsetting a portion of the cost affiliated with the 225th Anniversary Celebration of Fremont to take place in 1989. (Majority Vote Required)

ARTICLE 6:

To see if the Town will vote to raise and appropriate the sum of \$2,000 (Two thousand dollars) to assist Rockingham Child and Family Services, a private non-profit organization, to continue to provide counseling services for individuals and families of Fremont. (Majority Vote Required)

Leon Holmes made the motion to accept this article as read. Leonard Bonagura seconded.

Leonard Bonagura made the motion to amend the article as read: To see if the \$2,000.00 (Two thousand dollars) and to authorize the selectmen to enter into an agreement with Rockingham Child

Mary Anderson seconded the motion.

Discussion and explanation followed.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

ARTICLE 7:

To see if the Town will vote to authorize the Selectmen to enter into agreements with the following agencies for the stated services for the stated amounts:

Exeter Visiting Nurse Association	\$2,919.24
Newmarket Health	1,950.00

Seacost Mental Health	500.00
Rockingham Community Action Program ...	1,829.00
The Exeter Mediation Program	300.00
Brentwood Ambulance	500.00

(Majority Vote Required)

It was noted that the Newmarket Health should be listed at the Lamprey Health Care.

Leon Holmes made the motion to accept the article as read. Leonard Bonagura seconded the motion.

Discussion on the article.

George Baker made the motion to amend the article to delete the Brentwood Ambulance from this article. Leonard Bonagura seconded the motion.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

ARTICLE 8:

To see if the Town will vote to raise and appropriate the sum of \$6,600.00 (Six Thousand six hundred dollars) in support of the Raymond Ambulance Inc. for the provision of emergency medical service to the Town of Fremont for the year January 1, 1988 through December 31, 1988 and to authorize the Board of Selectmen to enter into an agreement with the Raymond Ambulance Inc. for said emergency services. (Majority Vote Required)

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

Leonard Bonagura made the motion to amend the article as read:

To see if the Town will vote to raise and appropriate the sum of \$7,100 (Seven thousand one hundred dollars) for the provision of emergency medical service to the Town of Fremont from the year January 1, 1988 through December 31, 1988 and to authorize the Board of Selectmen to enter into an agreement with an ambulance service for emergency services.

Mary Anderson seconded the motion.

Discussion and explanation followed.

Chandler Newton from the Raymond Ambulance was given the opportunity to explain the new procedures for ambulance service.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

RESULTS OF THE BALLOTS CAST FOR ARTICLE 3, 10 & 25 WERE ANNOUNCED:

138 Votes Cast —

ARTICLE 3: YES-119 NO-29 ARTICLE PASSED BY BALLOT VOTE.

ARTICLE 10: YES-57 NO-81 ARTICLE DEFEATED BY BALLOT VOTE.

ARTICLE 25: YES-136 NO-2 ARTICLE PASSED BY VOICE VOTE.

Mr. Carr stated that he voted in the majority in all three articles and he would like to make the motion to reconsider at this time.

Elizabeth Stanley seconded the motion.

MOTION TO RECONSIDER DEFEATED BY VOICE VOTE.

ARTICLE 9:

To see if the Town will vote to raise and appropriate the sum of \$48,000.00 for the complete revaluation of all property in the Town and to authorize the withdrawal of \$30,000 in principal plus \$2,000.00 in accrued interest from the Capital Reserve Fund created for that purpose, the balance of \$16,000.00 to be raised by general taxation and to designate the Selectmen as agents to expend. (Majority Vote Required)

Mary Anderson made the motion to accept this article as read. David Menter seconded the motion.

Discussion and explanation.

Robert Waddell made the motion to amend the article to read:

To see if withdrawal of \$30,000 in principal plus the accrued interest to date of withdrawal from the Capital Reserve fund created for that purpose, to be raised by general taxation and to designate the Selectmen as agent to expend and the unused balance to be placed in the general fund.

Elizabeth Stanley seconded the motion.

Discussion and explanation.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

ARTICLE 10 — BEGINNING OF MEETING.

ARTICLE 11:

To see if the Town will vote to raise and appropriate the sum of \$13,327.00 (Thirteen thousand three hundred twenty seven dollars) for the payment of the Town's share of the budget of the Southeast Regional Refuse Disposal District for the fiscal year os said district ending March 31, 1989; to authorize the Treasurer to pay the appropriated amount to said district in four (4) quarterly installments commencing on April 1, and continuing on or before the first day of each successive calendar quarter; and to take action relative thereto: (Majority vote required)

Leonard Bonagura made the motion to accept the article as read. David Menter seconded the motion.

Discussion and explanation.

ARTICLE DEFEATED BY VOICE VOTE.

ARTICLE 12:

To see if the Town will vote to raise and appropriate the sum of \$22,000.00 (Twenty-two thousand dollars) for the Town Hall improvements which include structure evaluation, ramp completion and laboratory facilities. (Majority vote required) **NOT RECOMMENDED BY THE BUDGET COMMITTEE.**

Mr. Rydeen noted that the word "laboratory" should be "lavatory" due to typographical error.

Leonard Bonagura made the motion to accept the article as corrected and read. Leon Holmes seconded the motion.

Leonard Bonagura made the motion to amend the article to read:

To see if the Town will vote to raise and appropriate the sum of \$26,000.00 (Twenty six thousand) for Town Hall Improvements which include structural evaluation, ramp completion, lavatory facilities and parking area

Leon Holmes seconded the motion.

Discussion and explanation followed.

George Baker made the following substitute motion: To see if the Town will vote to raise and appropriate the sum of \$10,000 (Ten thousand dollars) for the use of the selectmen for a structural evaluation of the Town Hall.

Kathleen Flibbotte seconded the motion.

SUBSTITUTE MOTION DEFEATED BY VOICE VOTE.

ARTICLE AS AMENDED WAS DEFEATED BY STANDING VOTE:

YES-46 NO-51

ARTICLE 13:

To see if the Town will vote to raise and appropriate the sum of \$9,000.00 (Nine thousand dollars) for the purchase of a sander for the town of Fremont Highway Department and authorize the selectmen to accept sealed bids on same. (Majority Vote Required)

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

No discussion.

ARTICLE PASSED BY VOICE VOTE.

ROBERT WINES STATED THAT HE VOTED IN THE MAJORITY ON ARTICLE 12 AND WOULD LIKE TO MAKE THE MOTION TO RECONSIDER AT THIS TIME. GEORGE MARQUIS SECONDED THE MOTION.

MOTION TO RECONSIDER ARTICLE 12 DEFEATED BY VOICE VOTE.

ARTICLE 14:

To see if the Town will vote to raise and appropriate the sum of \$2,945.00 (two thousand nine hundred forty-five dollars) to purchase air-bags for the Fire Department. (Majority Vote Required)

Leonard Bonagura made the motion to accept the article as read. Elizabeth Stanley seconded the motion.

Discussion and explanation of the air-bags by Fire Chief Richard Heselton.

ARTICLE 14 PASSED BY VOICE VOTE.

ARTICLE 15:

To see if the Town will vote to raise and appropriate the sum of \$5,500.00 (Five thousand five hundred dollars) for the Planning Board to hire consultants. (Majority Vote Required) (\$4,500 NOT RECOMMENDED BY THE BUDGET COMMITTEE)

Leon Holmes made the motion to accept the article as read. David Menter seconded the motion.

Thomas Roy, Chairman of the Planning Board, gave a break-down of the need for the \$5,500.00

Discussion and further explanation.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 16:

To see if the Town will vote to raise and appropriate the sum of \$600.00 (Six hundred dollars) for the purchase of a 7 watt 4-channel, two-way portable radio for the Civil Defense Department. (Majority Vote Required)

Leon Holmes made the motion to accept the article as read. David Menter seconded the motion.

Neal Beede, Civil Defense Director, explained the need for the radio.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 17:

To see if the Town will vote to raise and appropriate the sum of \$2,500.00 (Two thousand five hundred dollars) to be added to the Police Cruiser Capital Reserve Fund and authorize the use/transfer of the December 31, 1987 fund balance for this purpose. (Majority Vote Required)

Leonard Bonagura made the motion to accept the article as read. David Menter seconded the motion.

Discussion and explanation.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 18:

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to be added to the Riverside Drive Area Fire Station Capital Reserve Fund and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for this purpose. The Balance to be raised by general taxation. Further, accumulated interest to date of withdrawal to be transferred to the town's general fund. (Majority Vote Required)

Leon Holmes made the motion to accept the article as read. David Menter seconded the motion.

Explanation.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 19:

To see if the Town will vote to discontinue the Sandown Road Bridge Capital Reserve Fund created in 1985. Accumulated interest to day of withdrawal to be transferred to the town's general fund. (Majority Vote Required)

Mary Anderson made the motion to accept the article as read. Elizabeth Stanley seconded the motion.

Explanation of article.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 20:

To see if the Town will vote to raise and appropriate the sum of \$3,500.00 (Three thousand five hundred dollars) for the purpose of a Library study to determine what facilities are appropriate as a library for the Town of Fremont, NH. (Majority Vote Required)

Elizabeth Stanley made the motion to accept the article as read. Mary Anderson seconded the motion.

Discussion and explanation

ARTICLE DEFEATED BY VOICE VOTE.

ARTICLE 21:

To see if the Town will vote to raise and appropriate the sum of \$30,000.00 (Thirty thousand dollars) to hot top Beede Hill Road from the state marker to Shirken Road. (Majority Vote Required)

Leon Holmes made the motion to accept the article as read. Leonard Bonagura seconded the motion.

Discussion and explanation by the Road Agent, Guerwood Holmes.

ARTICLE PASSED BY VOICE VOTE.

ARTICLE 22:

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) for a Highway Study. (Majority Vote Required)

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

Guerwood Holmes, Road Agent, stated that he felt that he did not need this study as he already has his plan as part of the Capital Improvements Plan.

ARTICLE DEFEATED BY VOICE VOTE.

ARTICLE 23:

To hear the report of the Budget Committee and take such action as the town deems necessary.

George Baker explained the procedures used by the Budget Committee.

George Baker made the motion to have a line-by-line item budget.

George Marquis seconded the motion.

MOTION DEFEATED BY VOICE VOTE.

ARTICLE 24:

To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

After consulting with the town clerk and deputy town clerk, George Baker made the motion to raise and appropriate the sum of \$546,665. to defray town charges for the ensuing year.

Elizabeth Stanley seconded the motion.

Leonard Bonagura made the motion to amend the amount to \$551,665. (raising the amount by \$5,000). Leon Holmes seconded the motion.

Mr. Bonagura stated that he would like to raise the amount of General Government Buildings by \$3,000 and appropriate \$2,000 for town hall

improvements to complete the handicap parking.

Discussion.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

ARTICLES 25, 26, & 27 AT THE BEGINNING OF THE MEETING.

ARTICLE 28:

To see if the Town will vote to take deeded title to the paved section of a certain street named Pulaski Drive located in the Shannon Estates II Development from Applevale, Inc., the present owner. The requested street to be accepted is approximately 680 feet in length.

The motion was made and seconded to accept the article as read.

Guerwood Holmes, Road Agent, made the motion to amend the article to read:

To see if the Town will vote to take deeded title to the right-of way and paved section . . .

Leon Holmes seconded the motion.

Guerwood Holmes stated that these roads were inspected and were fine.

AMENDMENT PASSED BY VOICE VOTE.

ARTICLE AS AMENDED PASSED BY VOICE VOTE.

ARTICLE 29:

To see if the Town will authorize the selectment to accept private donation of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the conservation commission.

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

James Allen, Conservation Commission, explained the article.

PASSED BY VOICE VOTE.

ARTICLE 30:

ON PETITION OF 10 LEGAL VOTES:

To see if the Town will vote to maintain the road known as Tibb's Grove, located within the subdivision formerly owned by Gertrude Gibbets, beginning at Route 107 for a distance of 1,869.24 feet; said road having been maintained by the Town for the past thirty years, more or less.

David Menter made the motion to accept the article as read. Leonard Bonagura seconded the motion.

John Tibbets, owner of the road, explained the history of the road.

Robert Waddell suggested that the history that he read become part of the minutes of the town meeting. Elizabeth Stanley seconded the motion. John Tibbets read the following history.

"The road was originally developed in the 1950's with recreational homes being built on the banks of the Exeter River. The Town of Fremont started at that time and continuously over a period of 30 years has allowed a total of 24 taxable properties to be built. 1987 was the last year a building permit was issued for a single family dwelling. Several of the homes located in Tibb's Grove have remained seasonal properties, with 14 homes occupied by a cross-section of full-time Fremont residents, including retired couples on fixed incomes, volunteer fire and rescue personnel, county workers and young families starting out in Fremont. The town and its Road Agent have plowed and maintained Tibb's Grove over 20 years. A problem arose in the fall of 1987 where a fence was damaged by the town highway crews plowing snow. Town Counsel advised Fremont Selectmen that it was illegal for the town to expend funds to maintain non-town roads with the town residents approval. A hearing and meeting for residents was held and Fremont Selectmen unanimously approved the snowplowing would continue in Tibb's Grove. We are now seeking the townspeople's support to continue summer maintenance on Tibb's Grove which would be limited to grading of the gravel surface periodically and adding gravel when needed to keep the road bed at its present status. The residents of Tibb's Grove do not have the resources, financial or otherwise, to maintain this road, therefore, we sincerely seek your support."

Discussion and explanation.

Under the authority of the chair, David Connell, Town Counsel, became the moderator for the remainder of this article as the moderator wished to step down in order to make a substitute motion.

Robert Rydeen made the motion to amend the article to read: To see if the Town will vote to accept and maintain the roads known as Tibb's Grove, located within the subdivision formerly owned by Gertrude Tibbets, beginning at Route 107 for a distance of 1,869.24 feet to its present condition as of this date, said road having been maintained by the town for the past thirty years, more or less.

Gertrude Butler seconded the motion.

Thomas Roy called for the question. Ray Bernier seconded the motion.

PASSED BY VOICE VOTE TO CALL FOR THE QUESTION.

SUBSTITUTE ARTICLE PASSED BY VOICE VOTE.

ARTICLE 31:

To see if the Town will vote to accept deeded title to the Rights of Way and paved sections of certain streets named Hawthorne Drive, Whitman Drive, Emerson Drive and Cooper Drive located in the Riverview Estates Subdivision from R & S Realty Corp., the present owner. The streets contain approximately 3,780 feet.

David Menter made the motion to accept the article as read. Leonard Bonagura seconded the motion.

Guerwood Holmes, Road Agent, gave a report on the condition of the road.

PASSED BY VOICE VOTE.

ARTICLE 32:

To see if the Town will vote to accept deeded title to Parcel "A" off Whitman Drive, located in the Riverview Estates Subdivision as a conservation area. Said parcel contains approximately 3.1 acres.

Leon Holmes made the motion to accept the article as read. Len Bonagura seconded the motion.

PASSED BY VOICE VOTE.

ARTICLE 33:

To see if the Town will vote to accept deeded title to Parcel "B" off Whitman Drive, located in the Riverview Estates Subdivision. Said parcel contains approximately 8,400 feet.

Leon Holmes made the motion to accept the article as read. David Menter seconded the motion.

Discussion and explanation.

PASSED BY VOICE VOTE.

ARTICLE 34:

To see if the Town will vote to authorize the Board of Selectmen to transfer the property known as Lot 7-75 (Jones Land) located at Riverside Drive to Donald and Phyllis Ryan, abutments, for the sum of \$1,500.00 (One thousand five hundred dollars) and said parcel shall be merged with the abutting Ryan property Lot 7-76 thereafter regarded as a single lot.

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

Mr. Bonagura explained how this was an unbuildable lot and how the price was established.

PASSED BY VOICE VOTE.

ARTICLE 35:

To see if the Town will vote to authorize the Planning Board pursuant to RSA 674:43 I, to review and approve or disapprove site plans for the development or change or expansion of use of tracts for non-residential uses or for multi-family dwelling units.

It shall be the duty of the Town Clerk, pursuant to RSA 674:43 II, to file with the Rockingham County Registry of Deeds, a certificate of notice showing that the Planning Board has been so authorized and giving a date of such authorization. The authority hereby conferred on the Planning Board shall be development of tracts for non-residential uses and for multi-family uses granted at the Annual Meeting of 1986.

ARTICLE 35 WAS PASSED BY WITH THE APPROVAL OF THE BODY BECAUSE OF A WORDING PROBLEM. SEE AFTER ARTICLE 37 FOR RESULTS.

ARTICLE 36:

To see if the Town will vote to adopt as an ordinance the National Flood Insurance Program Flood Plain Development Ordinance (posted with a warrant and available for inspection at the Town Clerk's Office and the Selectmen's Office during the hours of Monday 9:30 to 11:30 a.m. and 2:00 to 4:00 p.m.; Thursday 4:00 to 7:00 p.m. and Friday 9:30 to 11:30 a.m. and 2:00 to 4:00 p.m.

Leonard Bonagura made the motion to accept the article as read. David Menter seconded the motion.

PASSED BY VOICE VOTE.

ARTICLE 37:

To see if the Town will authorize the selectmen to borrow money in anticipation of taxes.

Leon Holmes made the motion to accept the article as read. David Menter seconded the motion.

PASSED BY VOICE VOTE.

ARTICLE 35: (As legally corrected)

To see . . . The authority hereby conferred on the Planning Board shall be in addition to the authority to review site plans for the development of tracts for non-residential uses and for multi-family uses granted at the Annual Meeting of 1986.

David Menter made the motion to accept the article as read. Leon Holmes seconded the motion.

PASSED BY VOICE VOTE.

ARTICLE 38:

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from State, Federal or other Governmental unit or a private source which becomes available during the fiscal year pursuant to RSA 31:95-b.

David Menter made the motion to accept the article as read. Leonard Bonagura seconded the motion.

No discussion.

PASSED BY VOICE VOTE.

ARTICLE 39:

To see if the Town will vote to authorize the Board of Selectmen to sell property acquired by Tax Collector's Deed at Public Auction or by advertised sealed bids.

Leonard Bonagura made the motion to accept the article as read. David Menter seconded the motion.

No discussion.

PASSED BY VOICE VOTE.

ARTICLE 40:

To transact any other business that may legally come before this meeting.

Leonard Bonagura made the motion to accept the article as read. David Menter seconded the motion.

PASSED BY VOICE VOTE.

George Marquis asked whether the town reports could be delivered any earlier. Mr. Bonagura told him that the selectmen are looking into mailing them next year at the same time as the inventory blanks are mailed but it probably will not be any earlier than 1 week before Town Meeting.

The budget are finalized only 3 weeks before the town meeting and then they must go to the printer at that time. The printer takes 2 weeks to print them and then they are delivered 1 week before town meeting. The office will try to make some improvements next year.

Robert Waddell made the motion and Elizabeth Stanley seconded to adjourn at 11:35 p.m. After thanking all those who took time to attend and participate, the Moderator adjourned the meeting at 11:35 p.m.

Respectfully submitted,
Elizabeth J. Stanley, *Town Clerk*
Town of Fremont, Nh

Minutes of Special Town Meeting

August 29, 1988

The meeting was called to order by Robert Horsburg, Moderator Pro-tem.

Mr. Horsburg announced the rules of the meeting and that non-residents of Fremont would be allowed to address the chair if the residents had no objections.

ARTICLE 1:

Shall the Town accept the provisions of RSA 53:B:1 to 11, inclusive, providing for the establishment of a Regional Refuse Disposal District, together with the Towns of Brentwood, Danville, East Kingston, Hampton, Hampton Falls, Kensington, New Castle, Newton, North Hampton, Rye, Sandown, and South Hampton, and the City of Portsmouth, and the construction, maintenance and operation of a Regional Refuse Disposal facility by said District in accordance with provisions of proposed agreement filed with the Selectmen?

Leonard Bonagura made the motion to accept the article as read. Leon Holmes seconded the motion.

Mr. Bonagura addressed the chair and asked to introduce the non-residents in attendance:

Ken Pelletier, Chairman of the Planning Board for the Disposal District

David Connell, Town Counsel

Richard Russman, Kingston Study Group

Doug Cowie, Brentwood Selectmen

John Munson, Attorney for the Disposal District

Mr. Horsburg suggested that Ken Pelletier give a history and summary of the activities thus far:

- 11 of our 15 towns voted in the affirmative

- there are 11 sites presently -- hopefully by spring the number of sites will be narrowed to 1 or 2

- the first facility needed is a land-fill

- the second facility needed is for septage

- the third facility needed is for recycling

- the fourth facility needed is for processing

Mr. Pelletier explained the process in each of the facilities and he answered questions from the residents pertaining to each facility.

A question was asked about leaving the district after it was joined -- Legal Counsel, John Munson, explained you cannot leave after debt is incurred.

The voting procedures of the district were explained.

Mr. Russman explained the position of the Town of Kingston and he read the following letter:

Office of Selectmen

Town Hall

Fremont, NH 03044

Dear Selectmen:

It is our understanding that you are having a special town meeting coming up in the near future to decide whether or not your town would join the Southeast Regional Solid Waste District, known as 53-B. It is our sincere hope that you will urge your fellow townspeople to vote against this proposal. The Kingston Recycling Committee has been working diligently to have in place early this fall, a pilot recycling program at the Town Landfill. Some of your townspeople have been attending the meetings and we hope that Fremont will participate at our Landfill.

Obviously, working out a total program will take some time. While the choice of whether or not to join 53-B lies with the townspeople of Fremont, we sincerely hope that you will show your support for Kingston and the possibility of forming our own district with other towns that do not choose to join 53-B in solving our solid waste problems on a more cost efficient and localized basis. We are going to make a special effort to maintain relationships regarding the continued use of our Landfill with those towns which we now serve that decide NOT to join the 53-B Solid Waste District. If you have any questions, please do not hesitate to contact us.

Sincerely,
Marilyn Bartlett
Charles Wagner
John Reinfuss

George Rumaine, representative from Sandown for the Solid Waste District made a few comments relating to the district.
After considerable discussion, Mary Stiner called for the question.
William McCain seconded the motion. Moved by voice vote.
Results of voting: YES-58 NO-26
PASSED BY PAPER BALLOT.

B.

To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Three Hundred Twenty-seven (\$13,327.00) Dollars for the payment of the Town's share of the budget of the Southeast Regional Refuse Disposal District for the fiscal year of said District ending March 31, 1989; to authorize the Treasurer to pay the appropriate amount to said District in four (4) quarterly installments commencing on April 1 and continuing on or before the first day of each successive calendar quarter; and to take action relative thereto.

Leon Holmes made the motion to accept as read. Leonard Bonagura seconded the motion. Passed by voice vote.
Leon Holmes made the motion to reconsider. Leonard Bonagura seconded. Passed by voice vote to reconsider. The attorney's noted a technical error in the payments. Leon Holmes made the motion for the article to read:
To see if the Town amount to said District in three installments commencing September 1 and continuing on or before
Passed by voice vote.
Meeting adjourned at 10:26 p.m.

Respectfully submitted,
Elizabeth J. Stanley, *Town Clerk*

was amended by Leon Holmes

1764 - Fremont, N.H. - Olde Poplin - 1989

*** A Pre-Revolutionary War Town ***

*** 225TH ANNIVERSARY ***

Fremont, New Hampshire is a small rural community located almost exactly in the center of Rockingham County. The town contains 11,004 acres and is only 320 feet above sea level. The principal rivers which flow through the town are the Exeter and Piscassic Rivers. Great Brook and Red Brook are other important tributaries along with Loon Pond and Spruce Swamp. The population of Fremont in 1767 was 521 and in 1989 is approximately 2,000. In 1800 the town recorded its lowest number of inhabitants - 408.

Without doubt Fremonters have just cause to be proud of their small, close-knit community which was founded in 1638 as part of Exeter - only eighteen years after the Pilgrims landed at Plymouth, Massachusetts. Our early settlers were a determined and independent lot, and did not hesitate to exhibit these traits when necessity demanded. On four occasions residents of Fremont had to instigate or squelch riots that were provoked by either British officers, Confederate sympathizers or unruly railroad builders that had threatened the tranquillity of the town.

When Brentwood separated from Exeter in 1742 it contained territory that would later become what is now Fremont. During our union with Brentwood a small portion of our current township, along with part of Brentwood, was incorporated in 1744 as Keeneborough. Keeneborough's town charter was revoked in 1750 and Brentwood reverted back to its original boundaries.

As early as 1757 settlers residing in the westerly part of Brentwood began to complain of the long distance they had to travel to attend Sunday worship. Therefore they petitioned to be separated and made a town in their own right. This petition, and others in 1763 requesting to be joined to Chester or Epping were denied. Finally Brentwood gave its blessings and a new township was incorporated by Governor Benning Wentworth on June 22, 1764 and called POPLIN. The origin of the name is not known. On July 8, 1854 the name was changed to Fremont in honor of John Charles Fremont, the noted American West Pathfinder and later first Republican Presidential Candidate in 1856.

In 1775 the population of Fremont was 552 of which 96 served as soldiers during the Revolutionary War which took place between 1775 and 1783. In December of 1774 New Hampshire patriots captured nearly 100 barrels of gunpowder from the British guarding Ft. William & Mary in New Castle. Shortly thereafter, four of these barrels were brought to Poplin and hidden for safekeeping from the British at Zacheus Clough's house near Clough's Bridge. Some of this powder was later used at the Battle of Bunker Hill. Historians consider the attack on Fort William & Mary as the first overt act of the American Revolution.

On June 10, 1783 twenty-one families living on the southside of Poplin were united into the Parish of Hawke, now Danville for religious purposes only. Because Hawke's minister died in 1782 and the town did not settle

another minister until 1800, very little became of this union.

On May 28, 1800 townspeople gathered and raised an impressive meetinghouse which still stands as a noble monument to our early ancestors. Fremont is unique given its old age as a New Hampshire community, for not establishing a church of the Standing Order (Congregational) and never settling a town minister at taxpayer's expense. Today, the Fremont Meetinghouse is unique among New Hampshire meetinghouses because of its exterior features have remained basically unaltered.

Fremont was the home of two distinguished gunsmiths between 1845 and 1907. John Brown and his son Andrew became well known New England gunsmiths and in 1861 their gunshop was used as a Recruiting Office for enlisting Union Sharpshooters during the Civil War. Their guns now command prices in the thousands of dollars.

In 1874 the Worcester, Nashua and Rochester Railroad made its debut in town and continued to operate until 1972. The original Railroad Station burned in 1896 and was replaced by the current station in 1897. The Fremont Station was the half way point between Nashua & Rochester and thus necessitated the stopping of all trains for the taking on of more water. Until 1934 there was a wooden Railroad Covered Bridge located just south of the Little League Field.

Another important Fremont event took place in 1874 when Jonas Spaulding of Townsend, Massachusetts founded what is now known as Spaulding & Frost Cooperage. This business started out as a sawmill and eventually began producing barrels of all sizes to be used for packing and shipping a wide variety of merchandise. Stephen Frost bought into Spauldings Cooperage in 1893 and was instrumental in keeping the cooperage in Fremont after it burned in 1921. Jonas Spauldings two sons, Rolland and Huntley, served as Vice President and President of the Cooperage respectively, and both served as prominent governors of N.H. during the early part of this century. The Spaulding Turnpike is named in their honor. Today, Spaulding & Frost is the only white pine barrel-making factory in the United States and possibly the world.

Between 1885 and 1900 the New England Brickyard, later Fellow's Brickyard, operated on Martin Road. During the late 1880's this was the largest brickyard in New Hampshire producing over 5,000,000 bricks annually. The brickyards was a town within a town consisting of a store, saloon, blacksmith shop, barbarshop, company owned houses and boarding houses. Over 75 men were employed, many being French or Italian. The Brickyard ceased operating shortly after 1900 and the abandoned Brickyard Village was destroyed by fire in 1912.

These are just a few highlights from Fremont's proud past. The future also looks promising and certainly eventful. Fremont will soon begin celebrating its 225th Anniversary and as we do, we should remember the hard work, dedication and sacrifice of countless citizens, past and present, who contributed unselfishly towards the betterment of our fine community. Fremont is a good town with good people, and for this, we should celebrate. Given the ups and downs in every community, our Fremont ancestors would be justifiably proud of our town in 1989, and rightly so. We have banded together in good times and bad, and worked toward the common good of the town as a whole. Few communities today share that spirit.

The Fremont 225th Anniversary Committee extends a cordial invitation to all townspeople and friends of Fremont, to come and participate in our 225th Anniversary Celebration as we remember our past, appreciate the present, and look forward to our future. See you there.

Matthew E. Thomas, *Chairman*
Fremont 225th Anniversary Committee

Fire Department Report

1988 has seen many changes in the Fire Department. We ordered the new Tanker which should arrive in the Spring of 1989 to replace Engine I and Tank 4. The Fire House got a new well at no cost to the Town, thanks to Chuck Bolduc and Bill Copp for the use of their equipment. To Fremont Sand and Gravel for the washed stone and to Art Nadeau for allowing us to dig on his land. Last but not least, thanks to the firefighters for their labor. We also got the front of the station paved and ramps fixed. Thanks to Paul Giabbai and Dave Forman of Fremont Sand & Gravel for the gravel. The Firefighters did the labor on this project also. The floor got reinforced allowing us to move Engine II into the old section of the building to make room for the new tanker. Thanks to Derrell Turner for obtaining the I beams and welder. AGAIN thanks to the firefighters for their labor.

Ten members of the Department spent their nights and weekends all fall into early winter attending training sessions to become certified firefighters. Congratulations and in hopes of training ten more in 1989.

The Fire Association received two substantial gifts this past year. One from Elmer Schramm for the assistance rendered him at his barn fire and one in memory of his wife Lucy Schramm. Thanks Elmer! One other was a sizeable amount from the will of the late Roscoe Holmes. The Department plans to use these to purchase equipment for the Department.

We are still having oil fired heating systems installed without FIRST obtaining a permit to install and later a permit to operate. These both MUST have inspections. This could cause a problem with your fire insurance if you had a problem. To obtain these permits you must call Arthur Nadeau at 895-2465 after 6:00 p.m.

By state law you must obtain a permit before you kindle any outside fire unless the ground is snow covered. However, the Department would like to know about any burning you may do. To obtain this permit you can contact any of the Forest Fire Wardens listed in the front of this book or call me between 7:00 a.m. and 4:00 p.m. at 895-2561 Monday through Friday. On weekends call our dispatch center at 895-4222 and the Duty Officer will get back to you in person or by phone.

A word of caution on wood stoves. A high percentage of all dwelling fires are caused by wood stoves or chimney fires. We have some hand outs on proper wood stove installation available at the fire station - free for the asking.

This year we obtained some new protective clothing for the firefighters and hope to furnish ten more in 1989. It is hard to keep up with all the safety mandates placed on us from the Federal Government. We will have to replace two self contained breathing apparatus' because of OSHA mandates this year. We also have the air bag rescue system now in service and to be placed on Engine II when the new truck arrives.

I wish to thank all the members of the Fremont Fire Department and others who have helped us throughout the year to make the Fremont Fire Department the organization it is. In fact, it is one of the last unpaid departments in the area. Thanks again.

Richard C. Heselton
Fire Chief, Fremont, N.H.

Propane Leak	2		

Road Agent Report

The past year was very successful. I received your new sander. The new accepted developments are holding up well. I finished reconstruction and hottopping on Beede Road. I put a shim coat and one inch finish coat of hottop on Rowe Drive and did the same on Scribner Road at the intersection of Route 107.

My total budget is down approximately \$30,000.00 due to no warrant articles. However, this year I will reconstruct a section of road on either Sandown Road or South Road. This will be determined in the Spring.

To make our roads "Safer" I used 2-6 yard loads of salt, mostly for Beede Road with some on Sandown Road and at intersections.

To the people in Blumont Development who have waited so long, I feel positive these roads will be accepted this year.

Our equipment is adequate and well maintained.

Thanks to all who support me and thanks to all who work with me.

Guerwood Holmes
Road Agent, Fremont, N.H.

Police Department Report

I do want to express my heartfelt thanks to the people of Fremont for their support during my two terms as Chief. To Neal Janvrin, Fred O'Brien and Peter Lamb who are always on the job when needed, I say thank you for your support and loyalty to me and to the citizens of Fremont.

Once again, I want to express a special thanks to Dick Heselton, who repeatedly has provided back-up for the Department. He is not compensated for his time but always responds. Thanks again, Hez . . .

Please note that we are a part time Police Department, but we are available 24 hours a day. By calling 679-2225 you will reach Rockingham Dispatch. They know who is on or where we are at all times. Trying to reach an Officer at home may waste precious time. Whenever a vehicle is involved please try to get the Plate number, this will always be most helpful.

In closing, I would like the voters of Fremont to give serious consideration to electing the Police Chief for a three year term instead of the present one year term. We elect Selectmen, School Board Members and Library Trustees to three year terms and I feel this makes them more effective in discharging their duties. This would be most beneficial for the Police Department and to the Town.

Raymond L. Bernier,
Police Chief, Fremont, N.H.

Conservation Commission Report

It has been an active year for the Conservation Commission. We have spent much time with the Trust for New Hampshire Lands personnel working toward the procurement of land and/or conservation easements to land in the Spruce Swamp area, our large aquifer. A warrant article at this year's Town Meeting asks for authority to accept donations of land or conservation easements to land toward this project. Your support will benefit our town.

We had trees and shrubs planted at the Meeting House and the Town Hall. These plantings will be enjoyed by the town this year, the 225th Anniversary Year, as well as in years to come.

The Conservation Commission has funds and is interested in sending a local high school student to conservation camp this summer. Any students or parents interested in this program should contact the Conservation Commission. We meet the first Monday of each month at 7:30 p.m. at the Town Hall.

The Commission is looking for a full time member and alternate members for the coming year. We will be active in the Trust for N.H. Lands program, reviewing dredge and fill and gravel permits for the Planning Board as well as many other activities. We hope to have your interest and support.

Respectfully submitted,
James J. Allen, *Co-Chairman*

Library Trustees' Report

The continuing focus of the trustees for 1988 was increasing the reference capabilities of the library. During the year, a variety of science books were added to the reference category, as well as 430 new books of various literary genre for adults and young people.

The library trustees and the town are most fortunate to have a dedicated librarian and able assistant whose continuous efforts have upgraded and made current the available reading material. Due to their combined efforts in this area, the trustees look forward to the reference reading room becoming a reality in the coming year.

Boxes of books, whether left inside or outside the library, cannot be accepted. The limited shelf space continues to make it impossible to accept donations of used books indiscriminately. Anyone who feels he or she may have some books of interest to the library and/or its patrons must contact Barbara Bassett, the librarian, either by phone or in person before dropping them off.

Donations recieved in memory of George Rogers, a lifelong Fremont resident, were used to purchase an oak file cabinet with a commemorative plaque and the historical book, **The Seacoast, A Visual History**, which is part of a five-volume series of regional histories and anecdotes compiled and written by University of New Hampshire historians. The generous donation received from David, Jeffrey, and Michael Forman in memory of George H. Bassett, William S. Butler, and Kenneth F. Shute will be used to purchase a copy machine for the library.

In order to better serve the needs of Fremont's growing population, library hours were increased from 8 to 12 hours a week. The trustees welcome constructive suggestions from Fremont residents for improving the library's services to the community. We encourage both new and long-time residents to visit the library for a pleasurable and informative experience. The library is located at the corner of Beede Hill Road and Main Street. Phone: 895-9543, Hours: Tuesdays & Thursdays 4 p.m. - 8 p.m., Saturdays 9 a.m. - 1 p.m.

Lamprey Health Care Report

Lamprey Health Care marks eighteen years of service in 1989!

Two medical offices, one in Newmarket and one in Raymond, provide primary medical care, preventive health services, community outreach, social services and short term counselling with referral to mental health agencies.

Services also provided by Lamprey Health Care include the Senior Citizen Transportation Program and the Rockingham County Info-Center, information and referral service.

The medical team at Lamprey Health Care consists of six physicians: Sarah C. Oxnard, MD is a Pediatrician and is the Medical Director of Lamprey Health Care. Edward G. Benoit, MD is a Family Physician and is Associate Medical Director at our Raymond facility. Karen O. Brainard, MD is a Family Physician practicing in Raymond. Paul E. Friedrichs, MD and Micki A. Kantrowitz, MD are both Family Physicians at the Newmarket Center. Cynthia A. Rasmussen, MD is an Obstetrician/Gynecologist who directs the Prenatal Program operated by Lamprey Health Care and provides gynecological services. Also on staff at Lamprey Health Care are Michael C. Lewis, Certified Physician's Assistant, Barbara Janeway, Nurse Practitioner and John Mark Blowen, Nurse Practitioner. Registered and Licensed Practical Nurses and a Medical Assistant round out the medical team.

The addition of physicians in recent years has allowed lamprey Health Care to respond to the growing demand for services in this area.

Lamprey Health Care continues to operate the Senior Citizen Transportation Program. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing a means to needed services such as food shopping, pharmacy, meals, medical appointments and recreational trips. Three of the busses are equipped with hydraulic lifts to provide services to individuals in wheelchairs.

Lamprey Health Care also operates the Rockingham County Info-Center which provides information and referral services to the residents of the area. Information and referral is available to callers through a toll-free number on a wide range of subjects. The toll-free number is 1-800-582-7214.

Lamprey Health Care wishes to express its appreciation to your community for its support.

Respectfully submitted,
s/Ann H. Peters,
Executive Director

Building Inspector's Report

The Town of Fremont has experienced considerable construction in 1988. There is now a new tracking system for active building permits, as well as new standard BOCA documentation for application and approval of permits. During 1988 the following permits were issued.

New Dwellings	21
Adult Mobile Home Park	7
Garages & Carports	10
Additions, Alterations & Conversions	36
Utility Buildings	15
Pools	9

The building which occurred in Fremont in 1988 has an estimated value of \$2,666,380. There was also the additional sum of \$1,842,300 for the Ellis School.

With 1988 being my first year as Building Inspector for the Town of Fremont, I would like to thank the Board of Selectmen for their guidance and assistance. I would also like to extend special thanks to Elizabeth Stanley and Charles Healy for their insight regarding the history of the Town's properties, as well as volunteering their extensive knowledge of State & Local regulations. I have enjoyed serving you in 1988 and look forward to serving you in the years to come.

Respectfully submitted,
Gary A. Mucci

Exeter Area Visiting Nurse Association, Inc. Report

Board of Selectmen
Town of Fremont
New Hampshire 03044

Dear Members of the Board:

It is my pleasure to provide you with a report on the activities of the EAVNA during the year 1988.

1988 was our thirtieth anniversary year as a Visiting Nurse Association. During those thirty years, the Association has offered in-the-home health care for illness on a continuous basis. In addition, the EAVNA has also offered a variety of adult health services and child health services.

The continued viability of our community health services are dependent upon town monies which enable us to provide special programs and services e.g. flu immunizations, well child clinics.

The following is an unaudited report of the service statistics for 1988 (your individual town statistics are included in an attached letter).

Program	Total Units of Service
Home Care	8409
Adult Health	2150
Child Health	665
	TOTAL 11,224

We look forward to continuing the provision of home health services in your town during 1989.

Sincerely,
Janice B. Oberacker
Executive Director

Board of Selectmen
Town of Fremont
New Hampshire 03044

Dear Members of the Board:

As the community based Health Care Agency for your town during 1988, I am pleased to present an overview of services provided to the town residents you represent.

Home Care Services:

- 178 Nursing visits to the home - registered nurses provide skilled nursing care during illness or after hospitalization.
- 153 Home visits by physical, occupational and speech therapists - licensed personnel provide therapy during illness or after hospitalization.
- 10 Home visits by health aides - certified aides provide personal care to those unable to do so.
- 3 Other home visits.

Adult Health Services:

- 7 Blood Pressure Screenings - clinics for detection of abnormalities, monitoring, counseling and referral.
- 5 Blood sugar and iron screenings - clinic for detection and referral for diabetes mellitus and iron deficiencies.
- 5 Footcare Clinic visits - clinic provides assessment, referral and direct footcare to senior citizens.
- 16 Flu immunizations - influenza vaccine administered to high risk individuals.
- Skin cancer screening - clinic for detection of skin cancer.
- 6 Diabetic support group.
- Walking Club - twice a week opportunity for residents to enjoy, under supervision, this most useful form of exercise.

Maternal and Child Health Services:

- 1 Home visits to mother and children - visits by registered nurses to assess newborns and new mother and provide anticipatory guidance.
- 31 Well-child Clinic visits - provide well child physical exams, immunizations and guidance for children from birth to six years of age.

415 TOTAL UNITS OF SERVICE

\$22,165.00 — TOTAL MONETARY VALUE OF SERVICES

Sincerely,
Janice B. Oberacker,
Executive Director

1989 requested town appropriation: \$3,042.36

Planning Board Report

The Fremont Planning Board continues to meet every Wednesday evening at 7:30 p.m. This continued vigilance has provided for the towns ability to better prepare to influence change happening within the community. Preparation for coming changes will prove to be an absolute requirement to gathering the proper influence and direction for the community.

Voters at this years Town Meeting will have the opportunity to support a rewrite of the Fremont Zoning Ordinance. The proposal will establish zoning districts. Such districts will be identified as; Residential, Residential Mobile Home Park, Commercial, Light Industrial, Wetlands Conservation, and Aquifer Protection Districts. The proposed adoption of districts is supported by 1987 Master Plan. In addition the amendment will propose the adoption of; Home Occupation Standards, regulations governing the use of Signs, and the adoption of standards for Off Street Parking and Parking Lots. The rewrite should provide for an ordinance that is more easily administrated through consolidation of like subject matter and headings, section on definitions, table of contents, and as such else was necessary to rewrite the ordinance.

Much activity is already in the planning process for 1989-1990. Warrants requested by the Planning Board for this years ballot will ask for funds to provide a Water Resource Plan for the Town of Fremont. Such a plan, will support criteria of the Office of State Planning as well as provide Fremont with a comprehensive water resource plan. A second warrant article would provide for work in preparation for required updating of Fremont's Master Plan. Completion of the next Master Plan is expected for the year 1992.

Other activities in support of assessing the change and growth evident in Fremont have been contracted through Rockingham Planning Commission (RPC). Expected for completion during the first half of calendar 1989 is a growth management study. This study may provide for improved strategies to further direct development in order to insure that excessive and unplanned expenditures of public funds are controlled. In concert with this study will be the availability of a completed Capital Improvement Program. The Planning Board has also contracted with RPC to provide studies for the Loon Pond area and to provide assistance in pursuing State grants for recreation assistance.

A new practice begun last year provides for the hiring of a "town engineer" to review all engineering presentations of major subdivisions. Coupled with this, all subdivision plans are contracted to RPC for thorough review for compliance to all aspects of our zoning regulations. Both of these

services are paid in full by the developer/applicant. This process should help to insure that the town accepts only “quality” engineered plans. Traffic studies and other impact studies have become a normal request during the subdivision process.

Along with attempting to address planning activities, the Board continues to spend numerous hours in review of subdivision applications and proposals. Approximately seventy new lots were approved during 1988. More and “new” areas of town are being opened for access and further development. This expansion will not come without significant changes being sensed by the community at large.

Special thanks are in order to Board members, to those townspeople that advise, and those that attend our hearing sharing their concerns and valued suggestions for an improved community.

Fremont Planning Board
Thom Roy, *Chairman*

Fremont Volunteer Rescue Report

The Fremont Volunteer Rescue Squad is now heading into its 5th year. In 1988 we responded to over 70 calls for assistance.

The squad currently has 8 active members, this is down from last year because a few of our members have moved out of town. We are currently seeking new members, if you are interested you can contact Shawn Hill at 895-9290.

Members of the squad respond whenever the Brentwood or Raymond Ambulance is called into Fremont. We stabilize the patient and assist in transport to the hospital. Currently all our members are Red Cross Advanced First Aid certified (AFA) or Emergency Medical Technicians (EMT).

Our Members are:

Shawn Hill, *President*
Cheryl Woodman, *Vice President*
Linda Ross, *Secretary*
Carol Gould

Benny Benedetto
Kevin Zukas
Steve Toohey
Matt McCabe

The members of the squad would like to thank the townspeople, Raymond and Brentwood Ambulance for their support.

Respectfully,
Shawn W. Hill,
President FVR

Emergency Management Report

Small towns have few major emergencies, but they still have them.

Fremont came very close to having several this past year.

Last spring a car hit and broke a telephone pole with three large transformers on it. All three broke open spilling their cooling oil containing PCB's.

Most of the summer saw very bad electrical and wind storms.

Early fall again saw the potential for real disaster when a car ran under a gasoline tank truck, loaded with over 5000 gallons of gasoline, hitting the piping and valves.

Once more in December a fire and explosion at Spaulding and Frost Company injured four people.

Without the training, preplanning and cooperation of all departments and agencies involved in these incidents, major disasters could and most likely would have developed.

A large thank you should be given by the people of Fremont to the men and women of these departments and agencies.

Emergency Management Director,
Neal Beede

Rockingham County Community Action Program, Inc. Report

Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit corporation, officially designated as the anti-poverty agency to serve the low-income population of Rockingham County. Our mission is to serve the multitude of needs of the county's low-income residents by assisting them in coping with the hardships of poverty, giving them to tools to lift themselves out of poverty and seek to eradicate the root causes of poverty. RCCAP has been effectively serving these needs for more than twenty-three years.

As a county-wide organization linked to state and national service networks, we at Community Action seek to mobilize all available resources, both private and public, to bring to bear on the problems of poverty. As an agent of change, we encourage low-income individuals to attain the skills, knowledge and motivation to become self-sufficient. As advocates for the poor, we strive to create a general community awareness of and responsiveness to the needs of the disadvantaged.

The Greater Raymond Community Action Center is the outreach center serving residents of Fremont and 14 other communities, and as such acts as Fremont's central resource for information regarding all available human services. In addition, RCCAP offers 18 other service sites for the application and provision of various Community Action services.

Of the major direct service programs offered by Community Action, the following were provided to eligible residents of Fremont:

50 households received Fuel Assistance, a program which provides a financial grant of up to \$500.00 to assist with energy-related expenses.

8 homes were weatherized through the Weatherization Program, which provides high quality materials and trained labor to weatherize homes in order to reduce heating costs and conserve energy.

5 households received the Supplemental Energy Program, which provides for the repair or replacement of furnaces and heating units and home repairs for low-income homeowners.

5 children were provided meals from private family day care homes which participate in the Rockingham Family Day Care Program.

10 Child care referrals were arranged through the Child Care Resource and Referral Program, which compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality day care by recruiting, training and assisting new day care providers.

2 children were enrolled in Head Start, a comprehensive, early childhood development program for low-income and handicapped children and their families.

15 women, infants and children received help through the WIC Program, which offers supplemental nutritious food and nutrition counseling to pregnant women, nursing mothers and children up to the age of 5 who are nutritionally at risk.

1 household received Crisis Assistance, a program which provided a one-time financial grant for the payment of rent, mortgage, electricity or fuel for those in emergency situations.

130 food packets were provided through the Surplus Food Program, which distributes USDA surplus cheese, butter, flour, dry milk, cornmeal and rice through mass distributions.

2 households received emergency food packets through the Emergency Food Pantry, a program which provides a temporary supply of non-perishable food to families in crisis.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we received 139 calls or visits from Fremont residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 3.5% of the total dollar value of services provided during the previous fiscal year, which means that we request \$3.50 for every \$100.00 we provide in direct services.

From July 1, 1987 through June 30, 1988, Community Action provided \$67,940.00 in services to Fremont residents. We are therefore requesting the town of Fremont to contribute 3.5% of this amount, or \$2,378.00. The town of Fremont has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Amy Mueller-Campbell

Director

Greater Raymond Community Action Center

225th Anniversary Committee Report

The year 1989 marks the 225th anniversary of the Town of Fremont. On June 22, 1764 our small town was incorporated and named Poplin. The name was changed to Fremont in July 1854.

For four days, beginning Thursday, June 22nd, 1989 and running until Sunday, June 25th, Fremonters will begin celebrating the people, places and events that have helped shape our town into the fine community that it is.

Through the dedicated efforts of committee members and townspeople alike, a program of events that we feel will appeal to young and old, has been coordinated and promises to be enjoyable and worthy of Fremont and its residents. In addition to the June events, a Halloween Haunted House, Cemetery Tour and Jack-o-Lantern Contest will take place, and on Saturday, December 16th, a CHRISTMAS IN COLONIAL POPLIN FESTIVAL will take place and consist of musicians, performers, caroling, hayrides, Christmas Tree Lighting and of course, Old St. Nick himself. It will hopefully be a year Fremonters will not forget too soon.

1988 was a busy year for the 225th Committee. We met six times and sponsored two Yard Sales and two Raffles. In addition, the Committee raised funds for the Souvenir Program and sponsored a popular Fremont Hillbilly Float in Exeter's 350th Parade last June 4th. Fremont was originally part of old Exeter.

The Fremont Conservation Commission generously donated and planted several trees and shrubs on town property as their contribution towards Fremont's celebration.

Members of the Fremont Fire Department are coordinating the Parade and Bonfire and anyone interested in participating in the parade should contact Mr. Darryl Turner at 895-9492.

Spaulding & Frost Cooperage plans to produce several novelty souvenir items that will be for sale in time for the celebration.

Len & Sue Bonagura have kindly offered the use of their fields on Sandown Road for the Town Fair which will highlight an all day concert by three diverse bands, fireworks, bonfire, hayrides, games, booths, colonial militia encampment and more. The 225th Committee thank the Bonagura Family for this fine gesture and also thank the Phil Petersons and Nathaniel Brown Families for their field offers.

The Fremont Town Quilt is nearing completion and the 225th Committee plans to unveil the Quilt in June. Many townspeople contributed designs for the Quilt and when it is completed, the quilt will be very impressive. Thanks are extended to all who made a square. Anyone interested in helping to quilt them all together are encourage to contact Cathie Wright at 895-4485.

Over the past 3½ years the 225th Committee has raised close to \$6,000.00 through fundraisers and donations. Unfortunately, not all our activities were successful and we took financial losses on two important and expensive activities. The primary reason for organizing the committee back in 1985 was so we could raise funds to help offset the cost to taxpayers. In addition, we have worked diligently to hold down celebration costs in every conceivable way without jeopardizing quality and safety. We hope voters will support our warrant article request come March Town Meeting.

The Fremont 225th Committee welcomes any individual interested in joining the committee, or just helping out, to please attend any of our meetings or contact a committee member. All meetings are open to the public.

The 225th Committee consists of the following members: Rose Boden, Jan Collins, Thomas Fitzpatrick, Marion Ganley, Marilyn Gates, Ray & Connie Gregoire, Tony & Susan Jarek-Glidden, Fred & Sue Herr, Richard & Debra Minnon, William & Terri Murphy, Mike & Ellen O'Keefe, Debra Pickard, Cindy Provencher, Matthew & Sharon Thomas, Paula Wall and Bruce & Cathie Wright.

At this time I wish to thank Guerwood Holmes, Jake Donigan and Fred & Sue Herr for their time and contributions that went into making the Fremont Float the success that it was, and also to Harold Doucette for assisting us with our Yard Sales. Without the very fine committee that I am privileged to serve with, this celebration would not be possible and for this, my sincere thanks to all the members and other townspeople who have generously donated their time, energy and funds in support of our celebration endeavors.

Respectfully submitted,
Matthew E. Thomas, *Chairman*

School Warrant

State of New Hampshire

To the Inhabitants of the School District in the Town of Fremont qualified to vote in District affairs:

You are hereby notified to meet at the Laurence Pettengill Hall - Ellis School in said District on the twenty second day of March at eight o'clock in the evening, to act upon the following subjects:

1. To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.
2. To see if the District will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1989-1990 school fiscal year provided that such expenditures be made for purposes for which a School District may appropriate money and that such expenditures not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

3. To see if the District will vote to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of acquisition of land and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in this fund. (Not recommended by the Budget Committee)
4. To see if the District will raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000) as a deficit appropriation for the 1988-89 fiscal year to cover higher than anticipated expenditures for the construction of the recent building addition to the Ellis School. (Recommended by the Budget Committee)
5. To see if the District will vote to raise and appropriate a sum of money to fund the cost items related to an increase in teachers' salaries and benefits attributable to the collective bargaining agreement being entered into by the Fremont School Board and the Fremont Education Association for the 1989-90 fiscal year. Such sum of money representing the additional costs attributable to an increase in salaries and benefits over those obligations payable under the prior collective bargaining agreement.
6. To see if the District will vote to raise and appropriate the sum of \$15,000 to purchase furniture for the Ellis School Library. (Not recommended by the Budget Committee)
7. To see if the District will vote to raise and appropriate the sum of \$30,500 to replace windows in the original portion of the Ellis School. (Not recommended by the Budget Committee)
8. On petition of ten or more legal voters:
To see if the School District will vote to direct the School Board to hire an additional teacher, whenever the number of students in a class reaches the maximum size specified in the State Board of Education's most recently adopted "Minimum Standards for Elementary Schools' Manual."
9. On petition of ten or more legal voters:
To see if the Fremont School District will vote to change the present three (3) member School Board to a five (5) member School Board, each member to serve for a period of 3 years, as authorized under RSA 671:4. Further that the additional positions shall be filled at the annual School District elections of 1990.
10. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.
11. To transact any other business which may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

Budget Committee

School District Meeting

March 10, 1988

The School District Meeting for the Town of Fremont opened at 8 p.m. at the Laurence Pettengill Hall, Ellis School, on March 10, 1988. Mrs. Maureen Buhrman, Moderator, read the official School District Warrant.

Article I

To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

Mr. Robert Norris, School Board member, moved the Article as read. Seconded by Mr. Robert Waddell, School Board member. The motion passed by voice vote.

Article II

To see if the District will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1988-1989 school fiscal year provided that such expenditures be made for purposes for which a School District may appropriate money and that such expenditures not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

Mr. Robert Wines, School Board member, moved the Article as read. Seconded by Mr. Morris. The motion passed by voice vote.

Article III

To see if the District will vote to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of acquisition of land and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) be placed in this fund.

Mr. Richard Maloof moved the Article as read. Seconded by Mr. Waddell.

Discussion followed.

Mr. Waddell explained that this is for the next school, which will be needed in about eight years. There is no land immediately available, but this fund will provide money if any negotiations become available.

The motion passed by voice vote.

Article IV

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the district.

Mr. Robert Waddell made the motion that the District raise and appropriate for the support of schools, for the payment of salaries for School District officials and agents, and for the payment of statutory obligations of the District, the sum of \$1,804,594.

Seconded by Mr. Norris.

Discussion followed.

Mr. Bonagura asked the School Board what three areas could be cut without harming the quality of education of our school program. Mr. Waddell responded that the \$5,000 Capital Reserve Fund could be eliminated. Funds were budgeted for two teachers, one of which is needed now, and the second would possibly be needed depending upon enrollment next year. The third area was a bus that the School Board is considering adding in the future. He stressed the point that although these things were budgeted for this year, if it turned out that the bus or the teacher weren't needed, the funds would be returned in the form of a surplus. He added that because of the over-crowding of the buses and the possibility of new students moving into town, there is a strong possibility of the third bus being required very soon.

In response to the question about the increase in the amount of funds budgeted for the Supervisory Union, the Assistant Superintendent, Mr. Donovan, responded that Fremont's percentage of the SAU budget has increased from 17% to 20% or \$47,769. This was due to the fact that Newmarket had withdrawn from the Union. The increase represented salaries and benefits as other expenses had remained static.

Mr. George Marquis requested an explanation of the doubling of the cost of the maintenance of the plant. Mr. Waddell responded that these costs were increased due to the size of the new school, plus the addition of another custodian and that this was only an estimated cost until the addition was completed.

Mr. Waddell was asked if this budget were passed, how much would the tax rate increase. He replied approximately \$9 per thousand.

Mr. Thomas Roy offered an amendment to Article IV to cut 10% or \$180,459 from the proposed budget, reducing the figure in Article IV to \$1,624,134.60.

Seconded by Mr. Leon Holmes, Selectman.

Discussion followed.

Several people spoke in favor of this Amendment, and several spoke in opposition, including all the School Board members trying to keep their proposed budget intact. Mr. Wines stated that by municipal law, only 10% of the budget could be cut, and it would be up to the discretion of the School Board as to what could be cut: teachers, buses, books, etc.

After much discussion, Mr. George Marquis called for the vote. The Moderator received a petition calling for a paper ballot.

Voting on the Amendment following, using the Checklist. Votes were counted by Town Clerk, Elizabeth Stanley and School Moderator, Mrs. Buhrman.

The results of the ballot were 36 votes NO, 21 votes YES. The Amendment was defeated.

The original Article requesting \$1,804,594 was then passed by unanimous voice vote.

Article V

To see if the District will approve the application of School Administration Unit #14 to the New Hampshire State Board of Education for reorganization of the School Administrative Unit.

Mr. Norris moved the Article. Seconded by Robert Waddell.

Mr. Donovan explained that discussions were going on within the Union. Without Newmarket in the Union, each of the other towns has a larger share of the expenses. Epping, being the largest town, usually has more power and outvotes Fremont and Chester. The three towns have little in common, each sending their students to different high schools. There is the possibility that Epping could have their own Union, or Chester and Fremont might make up another Union or join with an entirely different Union. We will be informed further on this issue next year.

Article VI

To transact any other business which may legally come before this meeting.

Mr. Robert Norris made the motion to adjourn. Seconded by Mr. Wines. The meeting was adjourned by 10:30 p.m.

Respectfully submitted,
Barbara D. Baker, *Clerk*
Fremont School District

Letter of Comments and Recommendations

June 30, 1988

Members of the School Board

Fremont School District

Fremont, New Hampshire

Dear Members of the Board:

We have examined the financial statements of the Fremont School District for the year ended June 30, 1988 and have issued our report thereon dated October 11, 1988. In connection with our examination, we reviewed and tested the School District's systems of internal accounting control and operating procedures to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. The purpose of our review of these systems was not to express an opinion on internal accounting control, and it would not necessarily disclose all weaknesses in the system.

In the following paragraphs, we present our comments and recommendations for improving specific aspects of the School District's systems and procedures. We also refer you to the Appendix to this letter which explains the purpose of our review, its limitations, and the professional standards involved.

General

Typically, a report of this type places a greater emphasis on findings of a critical nature. Therefore, to put our comments and recommendations in proper perspective, it should be noted that the weaknesses observed are not necessarily the result of poor management. Oftentimes, they are due to factors outside the control of the School District's personnel, such as organizational restrictions, budgetary limitations, or inadequate software systems. We have noted many positive aspects of the School District's financial management and procedures which are not set forth in this report.

Complete General Ledger System and Monthly Financial Reporting

The financial system of the District consists basically of cash receipt and disbursement ledgers. While the reports being produced from the present system are adequate for capturing the detailed cash transactions of the

various funds of the District, there is a need for a complete general ledger system for all funds which will summarize the results of the financial transactions on a monthly basis for cash and accrual or encumbrance-type transactions.

The benefits of developing general ledger systems for all funds which would summarize in a concise manner the financial activity of the District include the following:

- A. A General ledger and resulting monthly financial reports will assist District management in monitoring the financial condition and operating results on a current basis.
- B. A general ledger established control over subsidiary accounting records and provides a means for periodic reconciliation to ensure that the daily recorded transactions are properly summarized.
- C. A general ledger system provides a means to prepare periodic comparative reports of revenues, expenditures and financial condition.
- D. A general ledger would enable the District to record adjustments resulting from audits of its financial records.

Student Activities Fund

Our examination revealed several weaknesses in the records of the Student Activities Fund. The accounting records were incomplete, in that activity for the months of April, May, and June of 1988 were not recorded in any capacity. There was no evidence that the bank balance was reconciled to the book balance for the months of April, May, and June of 1988. The preparation of bank reconciliations would have detected the numerous posting and recording errors that occurred during those months.

We recommend that the activity records be reconciled monthly to the bank statements and corrections, if necessary, be made at that time.

We also recommend that the District office monitor this fund by requesting monthly reports, which summarize the receipts and expenditures during the month and cash balance of each activity at the close of the month.

In closing, we would like to express our appreciation to those persons whose cooperation and assistance during the course of our examination has helped us to achieve efficiencies in completing our audit.

If, after you have had the opportunity to review our report, you have any questions, we would be pleased to meet with you at your convenience to discuss them.

Very truly yours,
CARRI PLODZIK SANDERSON
Professional Association

Purpose and Limitations of Review

The purpose of our study and evaluation was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the School District's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of the School District is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted government accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the School District taken as a whole. However, our study and evaluation disclosed conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of the District may occur and not be detected within a timely period.

These conditions are described in the preceding report and were considered in determining the nature, timing, and extent of the audit tests to be applied in our examination of the 1987-88 financial statements. This report does not affect our report on these financial statements dated October 11, 1988.

The preceding report is intended solely for the use of management and should not be used for any other purpose.

Epping	26,709.00	23,471.00
Fremont	<u>10,336.00</u>	<u>9,083.00</u>
	\$51,167.00	\$44,964.00

SAU Administrator's Report

Last year at this time we stated that 1987 was the most important year in the history of the Ellis School in nearly 40 years as the people of Fremont had voted the funds necessary to build a much needed 20,000 sq. ft. addition to our existing facility. This year we are very happy to report that the building is a reality. The new classrooms, library, special education space and vastly improved kitchen facilities has given us one of the finest elementary facilities in Southeastern New Hampshire. We are very proud of this and once again extend our deepest gratitude to the people of Fremont for making it possible.

As with any new building all systems are not functioning as we would like. Heating in one of our large classrooms has been a continuing problem which we are doing everything possible to remedy. On the whole, however, we are very pleased with the way the teachers and students have adjusted to the new space and also by their ability to take full advantage of it.

We regret to report that in order to complete the building it was necessary to overexpend the building budget by \$35,000. There will be an article in the District Meeting Warrant to raise and appropriate this money.

The Fremont School Board currently is engaged in negotiations with the Fremont Education Association for a teacher contract for 1989-90. At this time it appears that negotiations will not be concluded prior to the School District Meeting. At such time as agreement is reached, it will be necessary for us to call a special meeting, at which the school district can act upon the cost items related to this agreement.

As mentioned above, the operation of the school has been very smooth. We have maintained an effective educational program. This fact continues to be borne out by the results of the achievement test program of the students in grades 2 through 5. Scores continue to meet or exceed national norms.

The proposed 1989-90 budget as proposed by the School Board represents a 12% increase over the existing budget. While this may seem excessive to some it is important to point out that our student population continues to grow at about a rate of 10% per year. It is, of course, not possible to fund education at the same level that was possible when Fremont had a much smaller facility with fewer children. Once again we request your support in order that we may meet the educational needs of the children of Fremont.

H. Wilson Eaves
Superintendent of Schools

Edward W. Donovan
Assistant Superintendent

Principal's Report

The current school year has been an exciting one here at Ellis School. There are new faculty members, new students, new programs, and a new addition.

Ellis School now has seventeen full time faculty members and a total instructional staff of twenty-four. These numbers have increased over the last few years because of the dramatic growth in student enrollment. There were approximately one hundred eighty-five students being served at Ellis School three years ago. Today enrollment is two hundred sixty-five students.

While a great deal of energy has gone into coping with the changes wrought by a rapidly increasing population, the educators at Ellis School have continued to grow professionally, and that professional growth has resulted in many new educational activities taking place. One example is the writers' teas put on by a third and a fourth grade classroom. These teas provided the young writers of Ellis School with a much wider audience than would otherwise have been likely. Parents were invited to school to hear various student authors read their works. After reading the students responded to questions and comments from the audience, a process which was supervised by a student moderator.

Another trend at Ellis School has been an increase in parental involvement in the day-to-day functioning of the school. First, because the school has a limited supply of available personnel to supervise lunch, parents have been coming in on a regular basis to help, and the help has been invaluable. Although the lunch help has not been a formal program, the parents involved have been as diligent as any member of a formal program could be expected to be, largely through the efforts of Linda Stanton who schedules the volunteers. All of the people involved deserve the heartfelt thanks of the school and the community as well.

Parents and other community members have also been helping in the school's enrichment program. The main purpose of the program is to create a learning situation in which children can use previously acquired knowledge and skills to learn more about a topic which is of interest to them. While the sixth through eighth graders have had an enrichment program in place for several years, we have just begun offering such a program to the first through fourth graders. Nevertheless, we have been fortunate to find still more people willing to help the children of Ellis School. We offer our thanks to these people as well.

The last program we shall discuss was introduced into the first grade this year. It is called the Early Prevention of School Failure Program. It was adopted with the consent of the school board because the principal and the first grade teachers were concerned about the widely differing skill levels of the entering first graders each year. The Early Prevention of School Failure is a twenty year old program which has been nationally validated since 1974, and it is presently serving children in over 1500 school districts in forty-eight states and five foreign countries.

The program is not meant to replace kindergarten or readiness classes. On the contrary, it is designed to be implemented in kindergarten or readiness classes to bring all children to skill levels where they can be successful in the first grade. However, since there are no public pre-first grade classes in fremont, we are doing our best within the limits of our budget to offer the highest possible quality of education to the children of Fremont. Early indications are that our efforts are yielding positive results.

The final concern of this report is the new addition to the building. Fremont has a school it can be proud of. The building is by no means extravagant, and because of unexpected expenses, some of the furniture is not what was planned. Nevertheless, the facility is adequate to serve the educational needs for the present and perhaps a few years to come. There is no question that the town of Fremont will feel some strain resulting from increased expenses of the new facility, but the children appreciate what has been done for them. Their faces show an improved sense of self-esteem, and they walk with a little more bounce. Most important, though, they are working harder than ever to get a good education.

In closing we would like to thank the Fremont PTA for their continued help and support, and we would like to thank the town of Fremont for the new addition to Ellis School.

Respectfully submitted,
Timothy H. Green, *Principal*
